Introduction

Guide to this document

This document is designed to be read alongside a relevant 2-page NURS Key Investor Information document ("NURS-Kii"). Together they summarise information about your investment in the Funds, and provide answers to some important questions.

You should read these documents carefully to help you understand what you are buying, and keep them safe for future reference.

Please note that we will not accept your investment instructions unless you have confirmed that you have read the appropriate NURS-Kii.

You should also read the relevant Prospectus (the "Prospectus") before making an investment decision. Your rights and duties as well as your legal relationship with the Funds are set out in the Prospectus. For a copy of the Prospectus, please write to WAY Fund Managers Limited, Cedar House, 3 Cedar Park, Cobham Road, Wimborne, Dorset BH21 7SB or call us on 01202 855856.

The NURS-Kii and the Prospectus are available in English. If you have any doubts about the contents of these documents, you should contact a professional adviser.

As we are not registered with the relevant authorities in the United States we cannot sell shares to people who are "US persons". For a definition of a US person, and for further information on this point, please see further details in the Prospectus or call us on 01202 855856.

YOUR INVESTMENT

EF New Horizon Fund (“the Company”)

The Company is an umbrella Open-Ended Investment Company (OEIC), offering funds into which you can invest. An OEIC is open ended, which means its fund(s) grow, and more shares are created as more people invest, and shrink as people take out their money. The value of a fund is directly related to the value of the assets in which it invests and the number of shares it issues.

The Company is authorised by the Financial Conduct Authority (FCA) and the shares in its funds can be sold to retail investors. The Company is a Non-UCITS Retail Scheme (or “NURS”).

Funds are a way of combining your money with that of other investors to buy a wider range of investments, reducing risk and providing access to the services of a professional fund manager. A fund is divided into shares, with the number of shares you hold representing your share of the fund.

Who are the Funds aimed at?

The Funds are designed to meet a wide range of investment needs and different appetites for risk. A summary of the investment objectives and policies of the Funds can be found in the relevant NURS-Kii. Further details of the Funds’ investment objectives and policies can be found in the Prospectus.

ACD’s assessment of the target market for the Funds:

EF New Horizon Cautious Fund;

EF New Horizon Income Fund; and

EF New Horizon Balanced Income and Growth Fund;

The above Funds could be suitable for Retail Clients, Professional Clients and Eligible Counterparties who are seeking capital growth and are able to invest for at least five years. They are available for distribution through investment advice, portfolio management, non-advised sales and pure execution only channels.

The types of investors to whom the product is targeted:

Investors who have a basic knowledge of relevant financial products or no financial industry experience and are willing to accept that there is no capital guarantee, with 100% of their capital at risk.

Investors and potential investors should note that neither the description of the typical investor profile as set out above nor any other information contained in this document constitutes investment advice and

investors and potential investors should consult their own professional advisers concerning the acquisition, holding or disposal of shares in the Funds. Neither the Funds, the ACD nor the Investment Manager makes any statement or representation in relation to the suitability, appropriateness or otherwise any transaction in shares in the Funds.

What may the Funds invest in?

Each of the Funds will invest in a diversified portfolio of transferable securities (including investment trusts), collective investment schemes, equities, warrants, money market instruments, cash or near cash and deposits.

The Funds may utilise derivatives for investment purposes as well as for efficient portfolio management purposes.

The relevant NURS-Kii sets out the investment focus of each Fund. The Prospectus sets out the investment objectives and policies in full and it is important that you take the time to read these documents.

INVESTING

How do I invest?

You can buy shares directly from us or through an intermediary or investment platform.

If investing directly with us or through an intermediary, when we receive your completed application form and payment, we will invest in the Fund(s) you have chosen. If we receive your application before 12:00 noon UK time, we will invest in the Fund(s) on the same business day. If we receive your application after 12:00 noon UK time, we will invest in the Fund(s) on the following business day.

We will send you or your financial adviser (or both) a confirmation following the investment. You will also be given an account number to use when you contact us.

If you invest through an investment platform, you should contact the platform to invest in the Funds.

You may also telephone the dealing team to invest in the Funds on 01202 855856.

What happens if I change my mind?

If you received advice from a financial adviser, and subsequently invested, you will receive a notice informing you of your right to change your mind and instructions on how to cancel. You will then have 14

days to cancel your investment. If you decide to proceed with your cancellation, we will calculate the value of your investment and return this to you based on the following:

- If the price of the Fund(s) has decreased, the money returned may be less than your original investment.
- If the price of the Fund(s) has increased, the money returned will be your original investment.

How do I sell shares?

If you invest directly with us or through an intermediary, you can sell your shares by writing to us or calling 01202 855856. We will then send you a confirmation together with a renunciation form, which you will need to complete and return to us. We will sell your shares at the 12 noon valuation point after we receive your instructions. Once we have received all the required documents to settle the deal, we will forward the proceeds of the sale to your designated bank account, normally within four business days. Investors are entitled to redeem their shares on any dealing day subject to certain conditions in the Prospectus and the Regulations.

If you invest through an investment platform, you should contact the platform to sell your holding.

Contract notes to an intermediary

Where an intermediary has placed a transaction on an investor's behalf, all copies of contract notes will normally be sent to the intermediary. It is the responsibility of the intermediary to ensure that its client receives a copy of the contract note.

Where an investor has the right to cancel the transaction (typically where investment advice has been received by the investor from a regulated intermediary prior to investment), one copy of the

contract note is sent to the investor along with the Cancellation Notice. A further copy is sent directly to the intermediary.

Method for faxing applications or other instructions to deal in shares

Instructions (including applications and redemptions) sent to the ACD by fax (the ACD's fax no is 01202 855850) are only valid and binding on the ACD if the applicant or the applicant's authorised intermediary obtains separate confirmation from the ACD that the ACD has received the fax. After sending the fax, the applicant or the applicant's authorised agent is required to telephone the ACD on 01202 855856 promptly to obtain confirmation from a named representative of the ACD that the ACD has received the fax. Without procuring such verbal confirmation from the ACD, the applicant and the applicant's authorised representative acknowledge that the ACD shall have no liability in relation to any and all fax messages not received by the ACD.

How do you calculate the value of the shares and where can I find out the value of my shares?

The value of your shares is linked directly to the value of the investments held in the Funds. We calculate the share prices at 12 noon UK time on each business day, which is the Funds' valuation point.

Each of the Funds only has one price at which shares can be bought and sold. Any charges we place on buying and selling will be in addition to this figure.

The dealing prices of shares in the Funds' share classes can be obtained by calling us on 01202 855856 during our normal business hours, or by e-mail to customerservice-wayfunds@apexgroup.com.

CHARGES AND EXPENSES

What are the charges involved in investing?

This section gives details of relevant charges and expenses and the effect they may have on your investment. Full details of each of the charges, how they are calculated and when they are paid are set out in the Prospectus.

		Sub-fund	Share Class	Charge
When I buy shares	Initial Charge (may also be called Entry Charge) There is an initial charge applicable to certain share classes when you invest in the funds, which is a percentage of the amount you invest. We deduct this initial charge from the amount you invest and use the remaining amount to buy shares in your chosen fund. <i>(Paid by the investor as part of the initial investment)</i>	All Funds	Class A Shares	5%
			Class B Shares	5%
			Class C Shares	0%
During my investment	Annual Management Charge (AMC) There is a charge for managing the Funds, which is usually a percentage of the value of the Fund. <i>(Paid out of the Fund)</i>	All Funds	Class A Shares	1.75%
			Class B Shares	1.25%
			Class C Shares	0.55%
If I want to Switch or Convert my shares	Switching and Conversion charges We do not normally charge for Switching your shares from one Fund into another. We do not charge for converting shares in a fund to another share class of the same fund.	N/A	N/A	N/A
If I want to sell my shares	Exit charge We do not charge you a fee to sell your shares.	N/A	N/A	N/A

Fees detailed in the NURS-Kii

Any Entry charges and well as the Ongoing Charges Figure (the OCF) applicable each of the Funds' share classes are displayed in the NURS-Kii (available separately at www.wayfunds.com). The OCF includes the AMC rate detailed above, as well as additional expenses paid by the Funds. There is no charge for switching between the Funds.

Further details concerning fees and any additional expenses paid by the Funds can be found in the Prospectus.

How will charges and expenses affect my investment?

The Cautious Fund charges fees and expenses against the income account. The Income Fund charges against the capital account. The Balanced Income & Growth Fund charges 50% against income and 50% against capital.

Any charges made against capital may have the effect of constraining capital growth.

Does a dilution levy apply?

The actual cost of purchasing, selling or Switching assets and investments in the Funds may deviate from the mid-market value used in calculating the Share prices due to dealing charges, taxes and any spread between the buying and selling prices of the Funds' underlying investments. These costs could have a dilutive effect on the value of an interest in a Fund. In order to mitigate the effect of dilution, and in order to protect the interests of existing/continuing Shareholders, the ACD has the power to charge a "dilution levy" on the purchase and/or redemption or Switching of Shares. The intention of a dilution levy is to mitigate, as much as possible, the dilutive effect caused by purchases and redemptions

Where charged, the dilution levy will be shown separately as an addition to the cost of Shares when they are issued by the ACD, or as a deduction when they are redeemed by the ACD.

The ACD has no entitlement to the dilution levy, which will be paid into the relevant Fund.

The need to charge a dilution levy will depend on the volume of net purchases or redemptions, or in relation to any large deals as described below. The ACD may charge a discretionary dilution levy on any sale or redemption of Shares if, in its opinion, the existing Shareholders (for sales) or continuing Shareholders

(for redemptions) might otherwise materially be adversely affected. A dilution levy must be imposed only in a manner, that so far as practicable, is fair to all Shareholders or potential Shareholders. In particular, the dilution levy may be charged in the following circumstances:

- (i) Where a Fund is in continual decline, in terms of net asset value, as a result of poor market conditions or continual net redemptions;
- (ii) Where a Fund experiences a large level of net redemptions on any dealing day, relative to its size (i.e. net redemptions equivalent to greater than 2% of its Net Asset Value);
- (iii) on "large deals". For these purposes, a large deal is defined as a single sale or a redemption of 2% or more of the Net Asset Value of a Fund;
- (iv) in any other case where the ACD is of the opinion that the interests of existing/continuing Shareholders and potential Shareholders require the imposition of a dilution levy.

Should a dilution levy be required then, based on future projections, it is estimated that the dilution levy may range from 0% to 2% when buying or selling shares. The ACD may alter its dilution policy either by Shareholder consent pursuant to the passing of a resolution to that effect at a properly convened meeting of Shareholders and by amending this Prospectus or by giving the Shareholders notice and amending the Prospectus 60 days before the change to the dilution policy is to take effect.

Further details on this policy are available in the full Prospectus.

In specie redemption

In the event that a Shareholder requests the redemption or cancellation of Shares representing over 5% of the property of a Fund then, the ACD can effect an in specie cancellation, by cancelling the Shares and transferring relevant Scheme Property to the Shareholder (see full Prospectus). Should the Shareholder not wish to receive Scheme Property upon the redemption of Shares the ACD will arrange for the disposal of the securities at the redeeming Shareholder's expense.

Inducements

The ACD will make disclosures in the annual Report and Accounts in relation to inducements as required by

the FCA Rules. Further details of any such inducements may be obtained on request from the ACD.

TAXATION

Tax affects both your personal position and that of the Funds. The tax position may change in the future. If you are unsure about your tax position, you should obtain advice from a professional adviser.

Do the Funds pay tax?

The Funds do not pay capital gains tax but do pay corporation tax on interest and some other income at a rate that is equal to the basic rate of income tax.

What is my tax position if I invest in the Funds through an ISA?

When you invest through an ISA, there is no personal income tax or capital gains tax to be paid on income or gains in your ISA investment.

The value of any tax advantages will depend on your individual circumstances.

What is my tax position if I invest into the Funds directly?

The information below is a general guide based on current UK law and HMRC practice, which are subject to change. It summarises the tax position of the Funds and of investors who are resident in the UK and hold shares as investments. Prospective investors who are in any doubt as to their tax position, or who may be subject to tax in a jurisdiction other than the UK, are advised to take professional advice.

You may have to pay UK capital gains tax if you sell shares or switch between Funds.

All income paid to investors from their investments is treated by HMRC as income (whether we pay the money into your bank account or you choose to allow it to accumulate in a fund). As a direct investor, you will therefore have to pay income tax on any investment income you receive. We pay or accumulate the net amount of your investment income gross. For UK resident individuals, no income tax is payable in respect of the first £500 of dividend income received from all sources during the 2024/2025 tax year (although such income will still count towards the basic, higher and additional rate thresholds). The current tiers and rates of tax (which are subject to change) are as follows and will be based upon an individual's level of income:

Basic Rate Taxpayers – 8.75% (basic rate)

Higher Rate Taxpayers – 33.75%

Additional Rate Taxpayers – 39.35%

Individuals should note that if the receipt of dividend income takes them from one band/tier of UK personal taxation to another, the tax due on the excess dividend income over the annual allowance will be at the rates applicable to the new band/tier.

Corporate Shareholders who receive dividend distributions may have to divide them into two (in which case the division will be indicated on the tax voucher). Any part representing dividends received from a company will be treated as dividend income (that is, franked investment income) and no further tax will be due on it. The remainder will be received as an annual payment after deduction of income tax at the basic rate, and corporate Shareholders may, depending on their circumstances, be liable to tax on the grossed up amount, with the benefit of the 20% income tax credit attached or to reclaim part of the tax credit as shown on the tax voucher.

Dividend distributions will be made gross to shareholders who are not UK resident. Non-resident shareholders who are individuals are not liable to UK income tax on the dividend distribution. Non-UK resident shareholders are recommended to seek professional advice as to the tax consequences of receiving a dividend distribution under the law of the jurisdiction of their residence.

Non-resident trusts may be chargeable to UK income tax on distributions made by the Funds and are recommended to seek professional advice.

CLIENT MONEY

Delivery versus payment (DVP) exemption

We are required to comply with the FCA's client money rules, as set out in Chapter 7 of the FCA's Client Assets sourcebook (CASS) (the 'Client Money Rules'). We are making use of the DVP exemption available under the Client Money Rules when handling money for you in connection with the buying or selling of units/shares in our funds. Under the DVP exemption, your money need not be treated by us as client money for the purposes of the Client Money Rules in the following two scenarios:

(1) where money is received from you that relates to your subscription to units/shares in one of our funds; and

(2) where money is held by us that relates to the redemption of your units/shares in one of our funds.

While we are operating under the DVP exemption, your money will not be subject to the protections conferred by the Client Money Rules and, if we were to fail, the FCA's client money distribution rules as set out in Chapter 7A of CASS (the 'Client Money Distribution Rules') will not apply to these sums and you will not be entitled to share in any distribution under the Client Money Distribution Rules in respect of these sums.

Where we have not paid any money belonging to you to the trustee (in respect of a unit trust), the depositary (in respect of an OEIC) or to you, as the case may be, by close of business on the business day following receipt, we will stop operating under the DVP exemption for that transaction and will treat the relevant sum of money as client money for the purposes of the Client Money Rules.

By buying units/shares in one of our funds through us, you agree to our use of the DVP exemption as set out above. Should we cease at any time to make use of the DVP exemption, you will be notified in advance in writing.

Interest

We will not pay to you any interest earned on money we hold for you as client money under the Client Money Rules.

Distance Marketing Directive

If you have not had a face to face discussion with a representative of the firm through which you are making this investment, which could, for example, be the ACD or a firm providing financial advice, then you will be entering into this transaction 'at a distance'.

In this situation you do not have a right to cancel this investment unless we decide to extend such a right to you. If you have bought shares at a distance, and we do not extend cancellation rights, you are still entitled to sell those shares at any time (subject to the normal conditions). However, you cannot recover any initial charges incurred in the purchase of the shares.

This supplemental information document contains all of the information required for an investment made directly through us. Where shares are purchased through an agent, you should ask that agent for details of their identity, geographical address and the capacity in which they are acting.

The main service we provide to investors is the management and administration of the Funds. Details of all fees and expenses associated with the provision of this service are provided in the relevant NURS-Kii

and the Prospectus. There are no additional costs levied by us for investing at a distance, but there may be other taxes or third party costs that may apply to investors depending on their personal circumstances. The investment contract between you and the ACD is governed by English Law and, by purchasing shares, you agree that the Courts of England have exclusive jurisdiction to settle any disputes. All communications in connection with this investment will be in English.

2. General

2.1 An Investor should note that in accordance with the Rules, the Manager categorises them as "Retail Clients". An Investor will not receive unsolicited calls from the Manager.

2.2 An Investor should be aware of the nature and risks of investing in an ISA. Please see the relevant OEIC/Unit Trust Prospectus for more information about the Fund(s). These can be viewed at: www.wayfunds.com/funds.

2.3 The Account will come into force subject to the Regulations and the provision of these Terms and Conditions on the date the Manager accepts an Investor's application.

2.4 These Terms and Conditions shall apply to all transactions between the Investor and the Manager and form the basis upon which the ISA will operate.

2.5 The Manager reserves the right to amend these Terms and Conditions, provided that such variation will not prejudice compliance with the Rules or the Regulations. Any such significant amendment will be notified to the Investor and will automatically take effect 30 calendar days later. The Manager may vary these Terms and Conditions to reflect changes in the Rules or Regulations, without giving Investors prior notice.

2.6 The Manager will manage the ISA in accordance with the Regulations and will notify the Investor if the ISA has or will become void due to any failure to satisfy them. Should any provision of these Terms and Conditions be or become illegal, invalid or unenforceable under any applicable law, neither the validity nor enforceability of the remaining provision in these Terms and Conditions will in any way be affected or impaired.

2.7 This ISA is not a stakeholder product (the minimum voluntary benchmark prescribed by HM Treasury).

2.8 Investors should note that their tax treatment in relation to any investments made under these Terms and Conditions will depend on their individual circumstances and may be subject to change in the future.

2.9 The Manager is authorised and regulated in the conduct of investment business by the Financial Conduct Authority (12 Endeavour Square, London, E20 1JN, UK), FCA registration number 194147. Investors can check this by visiting the Register on the FCA's website (www.fca.org.uk/register) or by contacting the FCA on 0800 111 6768. The Manager is approved by HM Revenue &

Customs as an ISA Account Manager under the Regulations.

2.10 The Manager's registered address is at Cedar House, 3 Cedar Park, Cobham Road, Wimborne, BH21 7SB. The Manager's website is at www.wayfunds.com.

3. Investor Applications

3.1 Investors can apply to subscribe to an ISA in either of the following ways:

(a) By completing the Manager's application form and returning it to the Manager by post.

(b) By investing a lump sum by calling the Manager on 01202 855856. This service is only available to Investors who can confirm that they have received the relevant Fund's (or Funds') KIID or NURS-Kii pre-sale.

(c) If an Investor applies by telephone, the Manager will send the Investor confirmation of the details provided and a copy of the declaration made under the Regulations once the Manager has accepted the Investor's application. Once an Investor has received this confirmation, the Investor has 30 calendar days to tell the Manager if any details are incorrect.

3.2 If an Investor completes the Manager's written application form, the Manager will simply send the Investor confirmation of their subscription once the Manager has accepted it.

3.3 If an Investor does not give the Manager the complete information required under the Regulations at the time the Manager receives an Investor's application form, then the Manager cannot proceed with the ISA subscription, and it will return the Investor's application for completion.

4. Acceptance

4.1 For new ISAs, the Manager can accept a correctly completed and signed application form only if accompanied by a valid payment made to the bank account of WAY Fund Managers Limited or, for those saving on a monthly basis, a valid and correctly completed direct debit mandate. The Manager does not have to accept every application it receives.

4.2 For ISA transfers to the Manager, a transfer will only take effect when the Manager has accepted the Investor's application. The Manager will not accept an application unless and until it has received a correctly completed transfer application form; and the relevant payment from the Investor's previous ISA manager.

5. Investment

5.1 The minimum investment permitted to open an ISA and the maximum amount that

may be invested in the ISA in the tax year can be found on the Manager's Stocks and Shares ISA Application Form. The latest version of the application form can be found at www.wayfunds.com/funds under the relevant Sponsor's name. The entire ISA tax allowance limit is able to be invested into a Stocks and Shares ISA or a Cash ISA, or any combination of the two, provided that you do not contribute more than the overall ISA limit within the same tax year. The minimum sum that may be invested through the Manager's monthly savings plan is £100 per month. The collection date for regular savings is the 1st of the month or the next business day if the 1st falls on a non business day.

5.2 New subscriptions or transfer proceeds will be invested in the relevant Fund at the next buying price applicable at the time of acceptance of the application.

5.3 An Account will be opened for the current tax year and, in the case of an Account subscribed by monthly savings plan, for each successive year until the agreement is terminated.

6. Management of the ISA Investments

6.1 The Manager will manage an Investor's Account as directed by the Investor in their application or separate instruction, and in accordance with the Regulations and these Terms and Conditions.

6.2 Best execution

6.2.1 The Manager is required to seek to achieve the best possible result for an Investor when dealing with any order to buy or sell financial instruments and to set out arrangements for this purpose in a "best execution policy".

6.2.2 The Manager is required to consider various factors when deciding how best to deal with orders from customers. These include price, cost, speed, likelihood of execution and settlement, size, nature and other relevant matters. As the Manager has classified Investors as Retail Clients it will usually consider price to be the most important factor.

6.2.3 However, for orders relating to shares in the Fund(s), the only method available for dealing with most of these in practice is to transmit them to the AFM for execution: the AFM will be deemed to be the "execution venue" for these purposes. Where there is only one execution venue that the Manager can use in practice to deal with Investors' orders, it will have to use that venue regardless of the impact of the execution factors listed above.

6.2.4 The Fund may be available via another trading platform provided by a third party. Strictly speaking, this could be an alternative

execution venue. However, the Manager does not use such platforms for the Fund(s) in relation to its own ISA product. The use of a particular platform may also not be permissible under the Regulations; for example, if it means that investments acquired through the platform must be held in the name of a nominee of the platform provider.

6.2.5 The arrangements explained above may involve execution outside of a regulated market or multilateral trading facility (within the meaning of the Rules).

6.2.6 The Manager will monitor the effectiveness of the arrangements mentioned above and implement any necessary changes to its best execution policy from time to time. This will involve reviewing whether using other means to route orders would be feasible and would generate a better result for Investors. The Manager will notify Investors of any material changes to its best execution policy and arrangements made from time to time, where they are relevant to Investors.

6.2.7 Please note, any specific instructions from the Manager's customers as to how their orders are dealt with may prevent it from taking the steps that it has designed to obtain the best possible result in the circumstances.

By agreeing to these Terms and Conditions, Investors will be giving: their prior express consent to the execution of orders outside a "regulated market" or a "multilateral trading facility" (as those terms are defined in the Rules) where this is appropriate; and their consent to the Manager's best execution policy as summarised above.

6.3 Appropriateness

The Manager is not required to assess the suitability of the investment or service provided or offered to Investors and, as a result, Investors will not benefit from the protection of the Rules on assessing suitability. Therefore, the Manager will not assess whether: the investment or service meets an Investor's investment objectives; an Investor is able financially to bear the risk of any loss that the investment or service may cause; or an Investor has the necessary knowledge and experience to understand the risks involved.

6.4 Legal title to the Investments will be vested in the name of the Manager but beneficial ownership will be and will remain with the Investor. An Investor's investment will not be lent to third parties or used as security for a loan.

6.5 Certificates will not be issued in respect of shareholdings in the Fund(s) but any documents evidencing title to an ISA Investment will be held by the Manager or as the Manager may direct.

6.6 If an Investor holds any cash in their Account, the Manager will deposit it in a client money account in the Manager's name, with an appropriately regulated bank or institution of their choice in the United Kingdom in accordance with their obligations under the Rules. The bank will hold the cash on the Manager's behalf in a trust account separate to any account used to hold money belonging to the Manager in its own right. The Manager will not be responsible for any acts or omissions of the bank. In the event that the bank becomes insolvent the Manager will have a claim on behalf of its customers against the bank. If, however, the bank cannot repay all of its creditors, any shortfall may have to be shared pro rata between the affected Investors. No interest will be paid on such cash in accordance with the Regulations and the Rules. If the Manager is holding cash, whether client money or not, it may withdraw it and apply it towards paying fees, charges and other sums due to the Manager.

6.7 The Manager may employ agents in connection with the services it provides and may delegate all or any of its powers or duties to any delegate or delegates of its choice. The Manager will satisfy itself that any person to whom it may delegate any of its functions or responsibilities under these Terms and Conditions is competent to carry out these functions or responsibilities.

6.8 The Manager has appointed the Administrator to administer the Accounts.

6.9 Money will not be borrowed on the Investor's behalf. The Investor will not be committed to underwrite any issue or offer for sale of securities.

7. Charges and Expenses

7.1 No charges will be levied for the management or administration of the ISA. However, the investment of new subscriptions and transfer payments will attract the normal charges applicable to investors in the Fund(s). (For further detail please refer to the Prospectus, which can be found at www.wayfunds.com/funds).

7.2 Charges levied by the AFM may only be increased in accordance with the Rules and Investors will be notified accordingly.

7.3 In the case of transfers, the Manager reserves the right to pass on to Investors any expenses or costs incurred when transferring Accounts between account managers or transferring an Investor's Investments, including any VAT due on these charges. The Manager may review its charges when it considers it appropriate and will notify

Investors 60 calendar days in advance of any increase.

7.4 If an Investor does not have enough cash in their Account to pay the Manager's charges, or any payment of taxes, as they become due, the Manager may sell shares in an Investor's Account to raise the required amount. The Manager may apply or waive any of its charges at its absolute discretion.

7.5 If an Investor opens an Account through a professional financial adviser, the AFM may pay initial and renewal commission to the adviser at its discretion. These commissions are paid by the AFM out of its charges and do not constitute additional charges to an Investor's Account.

7.6 Please note that other costs, including taxes, may arise that are not paid by or imposed by the Manager or the AFM.

8. Withdrawals from an Investor's Account

8.1 An Investor may, by giving written notice to the Manager, make cash withdrawals of all or part of their Account at any time. On receipt of the Investor's written instructions to make a withdrawal and within such time as stipulated by the Investor in those withdrawal instructions (subject to any reasonable business period not exceeding 30 days, which the Manager requires for the practical implementation of the instructions) part of the Account shall be paid to the Investor. If an Investor withdraws all of their Investment, their Account will be automatically terminated. This notice of withdrawal should be sent to the Administrator at the operating address given in the Prospectus.

8.2 Normally, shares in the Fund(s) will be sold at the next selling price prevailing at the time of receipt of the written notice by the AFM's Administrator, and the proceeds thereof will be dispatched within four business days following receipt of satisfactory renunciation.

9. Income from an Investor's Account

9.1 If an Investor asks the Manager to pay out their Fund income, the Manager will buy income shares/units (if they are available) in the Fund(s) chosen by the Investor. If an Investor asks the Manager to reinvest their Fund's income it will buy accumulation shares/units or, where accumulation shares/units do not exist, will arrange for any income to be reinvested in additional shares/units for credit to the Investor's Account. Please refer to the Prospectus to confirm the availability of income shares/units and accumulation shares/units in the chosen Fund(s).

9.2 If an Investor changes their income instructions the Manager will automatically convert or switch their Fund investments to the appropriate type of share/unit, if they are available (that is, income or accumulation shares/units) free of any sales charge.

9.3 The Manager will reinvest any further income an Investor's Account receives in the form of distributions, or other rights or proceeds from any shares/units held, in the same underlying shares/units, where they still hold these shares/units, unless they instruct the Manager to pay this out to them. Where an Investor has switched the underlying shares/units into shares/units in other funds the reinvestment will be made into these other shares/units. Where an Investor no longer holds the underlying shares/units within their Account, the income will be paid out to them.

10. Transfers and Termination

10.1 On an Investor's written request the Manager will, within such time as stipulated by the Investor in those instructions (subject to any reasonable business period not exceeding 30 days, which the Manager requires for the practical implementation of the instructions) arrange for the transfer of the ISA (or part thereof) to another approved manager and, where possible, within such time stipulated by the Investor and subject to the Regulations. However, the Manager cannot guarantee that the transfer will take place on the date requested.

10.2 The Manager may, following 30 days' prior written notice, transfer its responsibilities as manager of the ISA to any entity (including an associate of the Manager) which is approved under the Regulations as a plan manager, if that other entity writes to the Investor and undertakes to carry out all the Manager's duties and obligations in respect of an Account. Following such communication, the Manager will be released from all those duties and obligations that the new manager has undertaken to carry out. Before such a transfer is carried out, the Manager shall satisfy itself that any new manager is competent to carry out those functions and duties to be delegated or transferred.

10.3 The Manager will consider requests in writing to accept the transfer of an ISA held with another approved manager but will require the transfer to be effected in cash.

10.4 The Investor may terminate the ISA immediately by giving the Manager prior written notice. Such termination shall not prejudice the completion of any transaction commenced prior thereto. These Terms and Conditions shall continue to apply until all

outstanding transactions and liabilities have been performed and discharged.

10.5 The Investor may in the termination notice (referred to in clause 10.3) elect to transfer all or part of the Investments to the main share/unit register (i.e. outside of an ISA account) and such shares shall henceforth be registered in the sole name of the Investor. On written notice to terminate the Account, and within such time as stipulated by the Investor in those termination instructions (subject to any reasonable business period not exceeding 30 days, which the Manager requires for the practical implementation of the instructions), Account interest and dividend rights or other proceeds or any cash shall be transferred to the Investor. The Manager will send the Investor any proceeds due, less any applicable charges. Where all or part of the Investments are not transferred, they will be sold at the prevailing forward selling price at the time of receipt of the notice and the Manager shall account to the Investor for the proceeds.

10.6 Proceeds may be paid by cheque or, if the Investor's verified bank details are held by the Manager, electronically; the Manager reserves the right to retain redemption proceeds until all anti-money laundering documentation has been received and verified. Such redemption proceeds will be held on a client money account in the name of the AFM and no interest will be payable.

10.7 The Account may be terminated by the Manager, at its sole discretion and without giving any reason, by giving the Investor 90 days' written notice. In such circumstances, Investors will have the right to transfer their Account to another plan manager or to receive the investments or their cash value at the relevant time. There is a potential loss of income and growth following a rise in the markets whilst the ISA transfer remains pending.

10.8 The Manager may deduct from the amount of any payment or transfer of Investments an amount to satisfy any sums due to it under these Terms and Conditions and tax liabilities of the Investor (or his personal representatives) for which the Manager is accountable.

11. Death

11.1 Investments cease to be tax-exempt with effect from the date of death of the Investor and the ISA will, therefore, be terminated immediately upon receipt of a certified copy of the death certificate.

11.2 The Investments will be transferred, outside the ISA, to the order of the Investor's personal representatives, pending receipt of

grant of probate and their further instructions. Notwithstanding the termination of the ISA status, the Manager's rights and powers under these Terms and Conditions shall continue and shall bind the Investor's personal representatives.

11.3 Where an ISA holder has died on, or after, 3rd December 2014, their surviving spouse or civil partner is eligible to inherit their ISA tax benefits. The surviving spouse/civil partner may be eligible for an additional allowance equal to the value of the ISA on the date of the holder's death. This Additional Permitted Subscription (APS) is in addition to the surviving spouse/civil partner's usual ISA allowance. Details about how to claim the APS will be sent to the executor(s) along with the required application forms.

12. Reports and Shareholders' Meetings

12.1 The Manager shall send the Investor regular bi-annual statements showing the number of shares/units held, a valuation of those shares/units and a summary of all transactions for the period. The Report and Financial Statements for the AFM's funds may be found at www.wayfunds.com/funds or may be requested free of charge from the AFM.

12.2 Voting rights attached to Investments will not be exercised by the Manager, but arrangements will be made by the Manager for the Investor, if he or she so wishes, to attend Shareholders' meetings, to vote and to receive any other relevant information issued to Shareholders in addition to the annual or interim reports in respect of the Fund(s).

13. Cancellation Rights

13.1 Where an Investor's ISA application has been the subject of financial advice received from an authorised intermediary/financial adviser and following its acceptance by the Manager, the Manager will send the Investor a Cancellation Notice, as required by the Rules. In order to exercise the right of cancellation, the notice must be signed and returned to the Manager within 14 days of its receipt. In such an event, the Investor will receive back his or her subscription, unless the value of the investment has fallen at the date of the Manager's receipt of the notice. In this case a deduction will be made of the amount by which the value of the investment has fallen. If the Investor does NOT wish to exercise cancellation rights, the signed Cancellation Notice should NOT be returned to the Manager.

14. Complaints

14.1 The Manager operates a written complaints procedure in accordance with the Rules and a copy of this can be found on the AFM's website at www.wayfunds.com, or it can be obtained by writing to the Complaints Manager at the address given below. Any complaint should in the first instance be addressed to the Complaints Manager at: WAY Fund Managers Limited, Cedar House, 3 Cedar Park, Cobham Road, Wimborne, Dorset, BH21 7SB. If the matter is not resolved to the Investor's satisfaction, they subsequently have the right to complain to the Financial Ombudsman Service at Exchange Tower, London E14 9SR.

15. Compensation

15.1 In the event that the Manager is not able to meet its financial liabilities to the Investor, the Investor may be entitled to compensation under the Financial Services Compensation Scheme established under the Financial Services and Markets Act 2000. Most types of investment business are covered for 100% up to the first £85,000. This level of compensation is set out by the UK Government and can change. This is the maximum compensation available.

16. Liability and Rights of the Manager

16.1 The Manager will not be liable to Investors for any costs, claims, demands, losses, expenses or any other liabilities whatsoever (including any demands or claims by HM Revenue & Customs) as a result of any loss of opportunity to increase the value of any of an Investor's Investments, or any depreciation in the value of any of their Investments other than as a result of the Manager's negligence, fraud, wilful default or breach of the Rules.

16.2 The Manager will not be liable for acts or omissions by itself or any third party, whether or not that third party is acting as the Manager's agent, unless it arises as a result of its negligence, fraud, wilful default or breach of the Rules. The Manager currently has insurance cover for loss of Account investments including loss resulting from misappropriation, negligence, fraud or dishonesty by its employees.

16.3 The Manager will not be liable for any loss or damage suffered as a result of circumstances beyond its reasonable control, provided where relevant that it has complied with the Rules on business continuity. The Manager will not be liable for any negligence, fraud or default by any bank or custodians who hold cash or assets in or on behalf of an

Investor's Account or any other person, firm or company through or with whom transactions are effected on an Investor's behalf.

16.4 The Manager may, without prior notice to the Investor, apply any cash or realise any Investments in payment of any taxes, fees, commissions and/or expenses owed by the Investor to the Manager. In the event that such liabilities remain unsatisfied after such action, the Investor shall on demand promptly pay the Manager any shortfall.

16.5 The Investor shall indemnify the Manager in full in respect of any liabilities, taxes, costs, charges and expenses incurred in connection with the ISA.

16.6 To the extent permitted by the Regulations, the Manager may make claims, conduct appeals and agree on the Investor's behalf liabilities for, and any relief from, tax in respect of the ISA.

16.7 Nothing in these Terms and Conditions shall restrict the Manager's right to provide investment services to others.

17. Notices and Instructions

17.1 Notices and instructions to the Manager should be in writing and signed by the Investor. Such notices and instructions should be sent to the following address: WAY Fund Managers Limited, Cedar House, 3 Cedar Park, Cobham Road, Wimborne, Dorset, BH21 7SB.

17.2 Notices and other documents to be given to Investors will be posted to the Investor's last address held by the Manager and will be considered to have been received by the Investor two days after posting.

17.3 An Investor must supply the Manager with all information that it reasonably requests, in relation to the Investor's Account. In particular, the Investor must tell the Manager promptly if they cease to be a Qualifying Individual, change their address, their personal status, their professional financial adviser, or other information the Investor has provided to the Manager in their Application, or any other significant change in the Investor's circumstances which might affect their Account. An Investor must inform the Manager of a change of address by signed, written instruction. An Investor needs to inform the Manager of a change of name by signed, written instructions – including the original or certified copy of any legal documentation (e.g. Marriage Certificate etc.). An Investor must write to inform the Manager if they cease to be a Qualifying Individual.

18. Confidentiality

18.1 The Manager will not disclose confidential information obtained by it relating to the Investor, to any third party, except in the following circumstances:

- (a) the information is disclosed to any agent of the Manager who will be bound by the same duty of confidentiality;
- (b) when any transaction in the ISA is carried out through a professional financial adviser, the Manager will treat that adviser as the Investor's agent and may disclose full details of the ISA to each such agent and accept instructions from any such agent in respect of the ISA;
- (c) with the prior written consent of the Investor; and
- (d) where the Manager is under any legal or regulatory obligation to do so.

19. Conflict of Interest

19.1 When the Manager or Administrator provides services to an Investor, the Manager or the Administrator (or associates of either) may have an interest or conflict of interest in relation to the transaction. In such circumstances, neither party (nor their associates) will be liable to account to Investors for any benefit, profit or commission or other remuneration made or received by reason of the transaction or any connected transaction. The circumstances in which conflicts of interest might arise include where the Manager deals on your behalf with another firm in the Professional Partners Administration Limited ("PPAL") group, where the Manager act for other investors with an interest in such investments or where the transactions are in shares of a Fund for which the PPAL subsidiary firm is the adviser of the AFM.

19.2 Where a potential conflict arises, the Manager is committed to managing these to prevent abuse and protect its employees, clients and other counterparties and to ensure that transactions and services are effected on terms which are not materially less favourable to the client had the potential conflict not existed. Further detail on The Manager's conflicts of interest policy is available on request.

19.3 The Manager is required to identify, manage, record and, where relevant, disclose actual or potential conflicts of interest between it and its clients and between one client and another and to have a written policy in place.

20. Data Protection: How Investors' personal data is used

20.2 If an Investor has used an intermediary to submit the application the Manager may also share information about the Investor's investment with them, to help them to continue to provide their services to the Investor, unless the Investor requests the Manager not to.

20.3 The Manager may share an Investor's personal data with contracted third parties for the purposes mentioned above (however, this does not entitle such third parties to send Investors marketing or promotional messages) and the Manager does not envisage that this will involve an Investor's personal data being transferred outside of the European Economic Area.
