¹¹Controlling Persons

The term “Controlling Persons” means the natural persons who exercise control over an entity. The term “Controlling Persons” must be interpreted in a manner consistent with the Financial Action Task Force Recommendations.

¹²Investment Entity†

The term “Investment Entity” means any entity:

- a. that primarily conducts as a business one or more of the following activities or operations for or on behalf of a customer:
 - i) trading in money market instruments (cheques, bills, certificates of deposit, derivatives, etc.); foreign exchange; exchange, interest rate and index instruments; transferable securities; or commodity futures trading;

An entity is treated as primarily conducting as a business one or more of the activities described in (a), or an entity’s gross income is primarily attributable to investing, reinvesting, or trading in Financial Assets for purposes of (b), if the entity’s gross income attributable to the relevant activities equals or exceeds 50 per cent of the entity’s gross income during the shorter of: (i) the three-year period ending on 31 December of the year preceding the year in which the determination is made; or (ii) the period during which the Entity has been in existence.
